Airbus

Airbus A300

Aircraft type	Wide body
Services	Landing Gear Overhaul, Engineering Services, Wheels and Brakes, Component Services (AMS & NY), Airframe MRO

Airbus A310

Aircraft type	Wide body
Services	Landing Gear Overhaul, Engineering Services, Wheels and Brakes, Component Services (AMS & NY), Airframe MRO

Airbus A318

Aircraft type	Narrow body
Services	Landing Gear Overhaul, Airframe MRO, Engineering Services, Flight-hour component support, Component Services (AMS & NY)

Airbus A319

Aircraft type	Narrow body
Services	Airframe MRO, Landing Gear Overhaul, Engineering Services, Flight-hour component support, Component Services (AMS & NY)

Airbus A319-9A7

Aircraft type	Narrow body
Services	Landing Gear Overhaul, Engineering Services, Flight-hour component support, Component Services (AMS & NY)

Capabilities at a glance

Airbus A320 (CEO/NEO)

Aircraft type	Narrow body
Services	Airframe MRO, Landing Gear Overhaul, Engineering Services, Flight-hour component support, Wheels and Brakes, Component Services (AMS & NY)

Airbus A320-7A344

Aircraft type	Narrow body
Services	Landing Gear Overhaul, Engineering Services, Flight-hour component support, Wheels and Brakes, Component Services (AMS & NY)

Airbus A320-81979

Aircraft type	Narrow body
Services	Landing Gear Overhaul, Engineering Services, Flight-hour component support, Wheels and Brakes, Component Services (AMS & NY)

Airbus A321

Aircraft type	Narrow body
Services	Airframe MRO, Landing Gear Overhaul, Engineering Services, Flight-hour component support, Wheels and Brakes, Component Services (AMS & NY)

Airbus A330

Aircraft type	Wide body
Services	Airframe MRO, Landing Gear Overhaul, Engineering Services, Flight-hour component support, Wheels and Brakes, Component Services (AMS & NY)

Airbus A340

Aircraft type	Wide body
Services	Landing Gear Overhaul, Engineering Services, Wheels and Brakes, Component Services (AMS & NY)

Airbus A350

Aircraft type	Wide body
Services	Engineering Services, Component Services (AMS)

ATR

ATR 42-300/500

Aircraft type	Regional
Services	Airframe MRO, Engineering Services, Wheels and Brakes, Component Services (AMS & NY)

ATR 72-300/500

Aircraft type	Regional
Services	Airframe MRO, Engineering Services, Wheels and Brakes, Component Services (AMS & NY)

Boeing

Boeing 707

Aircraft type	Wide body
Services	Wheels and Brakes, Component Services (AMS)

Boeing 717

Aircraft type	Narrow body
Services	Engineering Services, Wheels and Brakes, Component Services (AMS), Airframe MRO

Boeing 727

Aircraft type	Narrow body
Services	Engineering Services, Wheels and Brakes, Component Services (AMS)

Boeing 737 [-Classic, -NG] / MAX

Aircraft type	Narrow body
Services	Airframe MRO, Landing Gear Overhaul, Engineering Services, Flight-hour component support, Wheels and Brakes, Component Services (AMS & NY)

Capabilities at a glance

Boeing 747

Aircraft type	Wide body
Services	Landing Gear Overhaul, Engineering Services, Wheels and Brakes, Component Services (AMS & NY), Airframe MRO

Boeing 757

Aircraft type	Wide body
Services	Airframe MRO, Landing Gear Overhaul, Engineering Services, Flight-hour component support, Wheels and Brakes, Component Services (AMS & NY)

Boeing 767

Aircraft type	Wide body
Services	Airframe MRO, Landing Gear Overhaul, Engineering Services, Flight-hour component support, Wheels and Brakes, Component Services (AMS & NY)

Boeing 767-7A344

Aircraft type	Wide body
Services	Landing Gear Overhaul, Engineering Services, Flight-hour component support, Wheels and Brakes, Component Services (AMS & NY)

Boeing 777

Aircraft type	Wide body
Services	Landing Gear Overhaul, Engineering Services, Flight-hour component support, Wheels and Brakes, Component Services (AMS & NY), Airframe MRO

Boeing 787

Aircraft type	Wide body
Services	Landing Gear Overhaul, Engineering Services, Component Services (AMS), Wheels and Brakes

BAE

BAE 145/146

Aircraft type	Regional
Services	Engineering Services, Component Services (AMS)

Bombardier

Bombardier/de Havilland Canada Dash 8 (DHC-8)

Aircraft type	Regional
Services	Airframe MRO, Landing Gear Overhaul, Engineering Services, Wheels and Brakes, Component Services (AMS)

Bombardier CRJ100

Aircraft type	Regional
Services	Airframe MRO

Bombardier CRJ200

Aircraft type	Regional
Services	Airframe MRO, Engineering Services, Wheels and Brakes, Component Services (AMS), Landing Gear Overhaul

Bombardier CRJ700

Aircraft type	Regional
Services	Airframe MRO, Landing Gear Overhaul, Engineering Services, Flight-hour component support, Wheels and Brakes, Component Services (AMS)

Bombardier CRJ900

Aircraft type	Regional
Services	Airframe MRO, Landing Gear Overhaul, Engineering Services, Flight-hour component support, Wheels and Brakes, Component Services (AMS)

Capabilities at a glance

Dornier

Dornier 328

Aircraft type	Regional
Services	Airframe MRO, Wheels and Brakes

Embraer

Embraer 120

Aircraft type	Regional
Services	Engineering Services, Wheels and Brakes, Component Services (AMS), Landing Gear Overhaul

Embraer 145

Aircraft type	Regional
Services	Landing Gear Overhaul, Engineering Services, Flight-hour component support, Wheels and Brakes, Component Services (AMS & NY)

Embraer 170/175

Aircraft type	E-Jet
Services	Airframe MRO, Landing Gear Overhaul, Engineering Services, Flight-hour component support, Wheels and Brakes, Component Services (AMS & NY)

Embraer 190/195

Aircraft type	E-Jet
Services	Landing Gear Overhaul, Airframe MRO, Engineering Services, Flight-hour component support, Wheels and Brakes, Component Services (AMS & NY)

Embraer Lineage 1000

Aircraft type	E-Jet
Services	Landing Gear Overhaul

Embraer ERJ 135/140/145

Aircraft type	Regional
Services	Landing Gear Overhaul, Engineering Services, Flight-hour component support, Wheels and Brakes, Component Services (AMS & NY)

McDonnell Douglas

McDonnell Douglas DC-9/C-9 variants

Aircraft type	Narrow body
Services	Engineering Services, Wheels and Brakes, Component Services (AMS & NY), Airframe MRO

McDonnell Douglas DC9-9A73

Aircraft type	Narrow body
Services	Engineering Services, Wheels and Brakes, Component Services (AMS & NY)

McDonnell Douglas MD-80

Aircraft type	Narrow body
Services	Landing Gear Overhaul, Engineering Services, Wheels and Brakes, Component Services (AMS & NY), Airframe MRO

McDonnell Douglas MD-80-7A344

Aircraft type	Narrow body
Services	Landing Gear Overhaul, Engineering Services, Wheels and Brakes, Component Services (AMS & NY)

McDonnell Douglas MD-83

Aircraft type	Narrow body
Services	Landing Gear Overhaul, Engineering Services, Wheels and Brakes, Component Services (AMS & NY)

McDonnell Douglas MD-87

Aircraft type	Narrow body
Services	Engineering Services, Wheels and Brakes, Component Services (AMS & NY), Landing Gear Overhaul

Capabilities at a glance

McDonnell Douglas MD-88

Aircraft type	Narrow body
Services	Engineering Services, Wheels and Brakes, Component Services (AMS & NY), Landing Gear Overhaul

McDonnell Douglas MD-90

Aircraft type	Narrow body
Services	Landing Gear Overhaul, Engineering Services, Wheels and Brakes, Component Services (AMS & NY), Airframe MRO
