- Perform wire mesh replacement of metal and composite components IAW CMM/SRM and approved technical data under supervision.
- Perform skin replacement of composite and aluminum structure IAW CMM/SRM and approved technical data under supervision.
- Operate heat ramp, hot bonder, oven for repair curing IAW CMM, SRM, Engineering Instruction and approved technical data.
- Fabricate sheet/angle/contour metallic parts IAW CMM, SRM, Engineering Instruction and approved technical data.

Qualifications:

- Diploma from high vocational institute in Mechanical or Aerospace.
- Capability to read and interpret mechanical drawings and work instructions
- Ability to read, write and understand English and computer literacy is required

- Able to read composite ply orientation and honeycomb direction IAW Boeing and Airbus Drawing, SRM, OEM instruction and Repair Design Instruction.
- Able to read, interpret and understand SRM, CMM Manual, IPCs and/or specifications
- Hands-on skills in using of common hand tools and measuring equipment

Total rewards

As an AAR team member your rewards include:

- Annual uniform
- PPE safety equipment
- Transportation
- Vacation benefits, including Thai Public Holidays
- Provident Fund
- Group Insurance
- Training and development opportunities
- Staff engagement and recognition events

Performance objectives

- **Teamwork** – collaborates with colleagues to achieve results and is also comfortable working independently
- **Building trust** – operates with integrity, discloses own positions, remains open to ideas, and supports others through dignity, respect, and fairness
- **Building relationships and partnerships** – develops and leverages relationships within and across teams to achieve results
- **Communication** – conveys information and ideas clearly and concisely to individuals or group in an engaging manner, helping them understand and retain the message
- **Analytical skills** – must be able to use data to determine cause and effect for complex problem solving
- **Quality orientation** – accomplishes tasks by considering all areas involved, no matter how detailed

Why should you apply?

- AAR is the only aerospace / defense company on Forbes' America's Best Mid-Size Employers list.
- Our innovative and entrepreneurial culture encourages employee input in every aspect, from day-to-day activities to the company's future growth.
- Our learning and career development program affords employees a learning path with the necessary tools and resources needed to help build their career at AAR.
- We support non-profits and organizations that work to improve society in four primary areas: veterans and active military; education with an emphasis on STEM; health and wellness; and diversity / inclusion.
